Remodeled Beauty in the Heart of Scottsdale

Remodeled charmer on corner lot in the heart of Scottsdale! This beautiful 4 Bedroom, 2 Bath home includes a bonus room and many other upgrades. The flooring includes a stunning combination of maple wood laminate flooring, carpet, and travertine. New roof installed in June 2010, newer kitchen with slab-granite countertops, and newer stainless steel appliances. All bathrooms have been remodeled with travertine counters, showers, and floors.

Home is equipped with a wireless ADT alarm system covering all exterior openings plus interior motion detector.

Enjoy the views of Camelback Mountain from the front porch of this quiet interior lot or retreat to one of the two covered patios in this spacious back yard which is enclosed with a block wall for privacy. This dazzling home is located in the heart of Scottsdale within walking distance to Fashion Square Mall, The Waterfront, and Old Town.
